

**This world... is on the  
brink of destruction.**

I can't...  
This really is  
the end.

Don't give  
up! Just run!  
I'll carry you!

Hold on!  
We're almost  
at the bunker  
ahead!

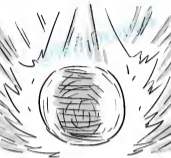

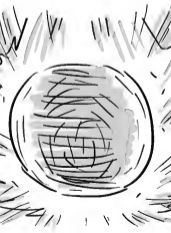

No...  
I can't do it...

Right now...  
If a miracle were to happen...

**ANY MIRACLE...!**

AH!

Huff...

Huff...

Phew...

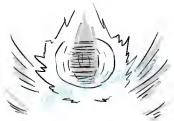

S-so it was just a dream...  
That's good...

That's good...

Hold on!  
Don't  
give up!

Huh?  
It's the same  
dream as before...

There's nothing to  
worry about if it's just  
a dream. With a bit of  
effort, maybe I can  
even wake up.

I want to wake myself up, since this is just a dream.

Everything will be fine once I'm awake.

.....

Blue, when you're  
gone, what will  
happen to me?

I'm sorry... Green...

But anyway, it's  
just a dream, right?

This time I'll wait a bit before  
falling back to sleep, maybe  
then I won't dream about  
that place again...

zzz~

Centuries have  
passed since we  
last parted ways.

I managed to  
survive. But...

At this point, I have  
nothing to say to  
you anymore.

... I'm sorry.

It's nothing.

You're leaving again.

After this, we  
shan't be meeting  
another time.

What do you  
mea—

DRIVING D

<SFX: DRING DRING DRING>

<SFX: DRING DRING DRING>

Feels like I just had  
a very long dream.

What was it about...  
I can't seem to  
remember anything.

Oh well.  
Time to go to  
work. Today's  
a Monday...
